consumption

what are we missing here?

Hello!

We are PMS.

And this is what we came up with.

1

Water

“

**“If there is magic on this
planet, it is contained in
water.”**

~Loren Eiselay

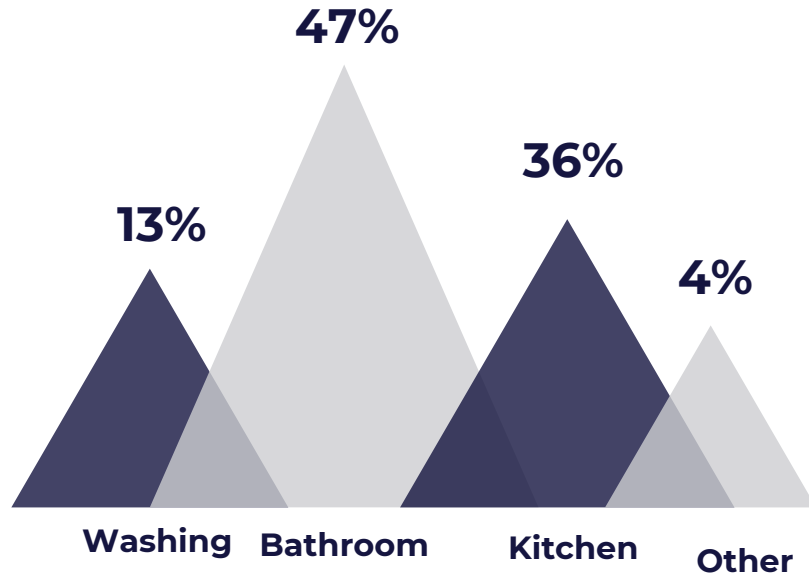

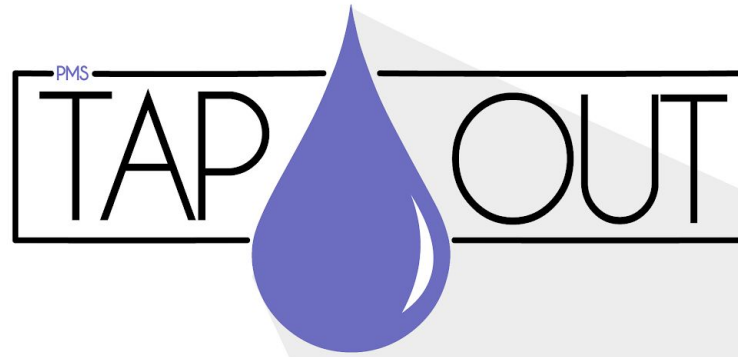

900,000,000,000

**Gallons used in American
households annually**

Household Water consumption

The process

**Check if the
tap is on**

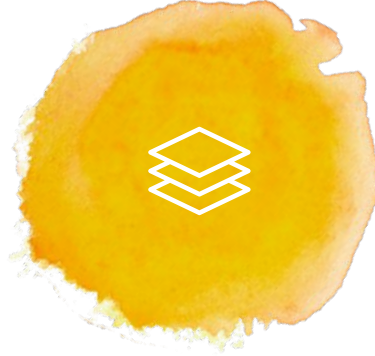

**Check if the
tap is
unattended**

**Alert the
user by a
buzzer and
a text
message**

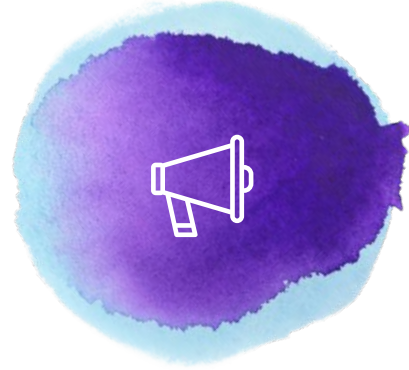

Hardware

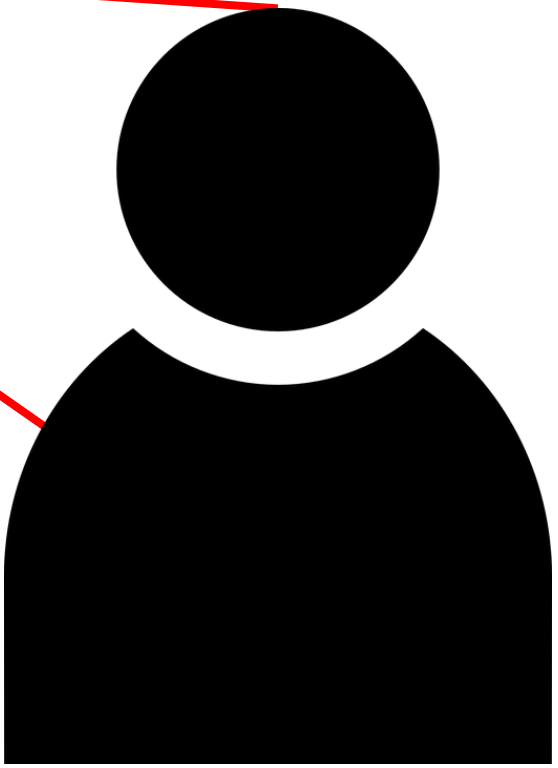

**PIR motion
sensor**

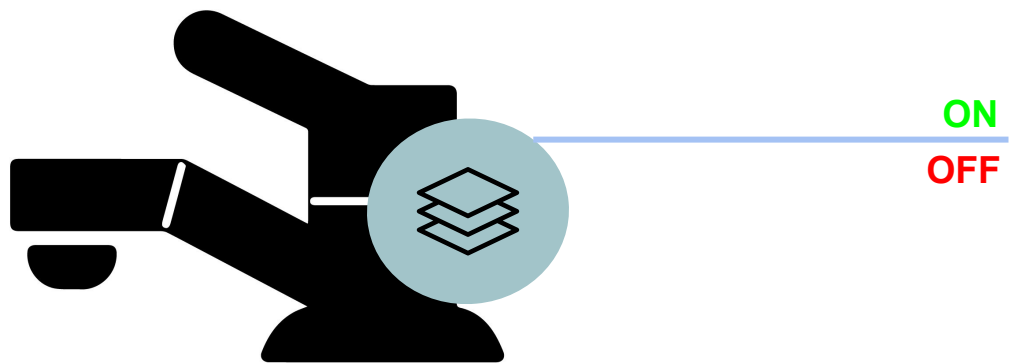

**Magnetic
contact**
